UCLA CENTER FOR THE DIGITAL ARTS - Special Access Form

The CDA aims to serve all of its varied constituencies in the School of the Arts and Architecture. Although we would like to accommodate all requests, limitations of space, equipment, and staff force us to assign non-class or non-enrolled faculty, students, and staff on a prioritized basis. Student preference will be given to independent study courses with faculty sponsors. We appreciate your assistance and cooperation.

PLEASE WRITE LEGIBLY!

Applicant Information

LAST Name ___________________________ FIRST Name ___________________________
Graduate _______ Undergraduate _______ Faculty _______ Staff ________
Department __________________________ School/College ______________________
Applicant's phone _______________________ E-mail ___________________________
